

2023 GOLF TOURNAMENT SPONSORSHIPS

WELCOME

The INEOS ICAN Foundation gives children in the Houston Gulf Coast area a chance to grow up healthier and better educated. Companies like yours make it possible to change lives. Each year, the Foundation and supporting companies come together for the Foundation's Golf Classic. This event is the Foundation's largest annual fundraiser, providing support for the nonprofit Foundation in its mission.

Your sponsorship helps children develop a love for fitness through our signature programs GO Run For Fun and The Daily Mile. You're also providing children with innovative learning opportunities through our Teaching Grants. You're providing children with free fun runs, programmable robots, 3-D printers, terrariums, computer programs, educational murals, and so much more.

The Foundation publicly highlights how Major Sponsors are actively engaging with the community. The event is also a great way to network, or treat employees to a day of fun.

We hope you take some time to learn about the benefits of each sponsorship listed in this brochure, and join us as a sponsor of the Golf Classic. We'll see you on the course!
